

**Virgin Media plans for – Berwick-upon-Tweed**

Dear Councillors

I'm writing to introduce myself; I am the Community Lead for the North East; my role is to support the installation of our network in the build area. I appreciate you will be busy, but I would like to arrange to meet with you and any interested parties to discuss what support I can provide.

We always try to keep any disruption to a minimum, but we do know that residents may raise concerns about works in their area so want to make sure you are aware of what will be taking place.

Once the works are finished residents will be able to access some of the fastest broadband services available.

If you would like to meet up, please drop me an email and we can arrange a date suitable. In the meantime, should any of your resident's wanting to speak to someone from virgin media around the works taking please the correct details are below.

Email [expansionworks@virginmedia.co.uk](mailto:expansionworks@virginmedia.co.uk)

TEL: 03330005925

I have also attached our Notification of works letter that resident should receive before the works begin and on there is more details of the works and contact information. Please feel free to share that information.

I look forward to discussing further.

Regards

Faye Kirton  
Community lead  
Virgin media  
NorthEast.
